About Me

I am a passionate and dedicated Full Stack Developer with hands-on experience in building responsive and scalable web applications using modern technologies like React.js, Node.js, MongoDB, and Express.js. Currently pursuing a B.Tech in Information Technology, I have developed multiple full-stack projects and participated in national-level hackathons. I enjoy solving real-world problems through code and continuously improving my skills in front-end and back-end development.

Internships

Front-End Developer

Micro IT | May 10 - June 5, 2025

- Developed responsive web interfaces using React.js and Tailwind CSS.
- Optimized web performance for scalability and speed.

Web Developer

Media Wave Technologies | June 2 - June 18, 2025

- Built full-stack web apps using React.js and Node.js.
- Implemented database and API integrations.
